GARDEN GUIDELINES

We encourage residents to enjoy our wonderful communal gardens and appreciate that they may wish on occasion to use them for a small party or gathering; in the interest of good neighbourly relations may we remind you of the following:

- Please tidy up, using the many bins provided or take rubbish home.
- If using confetti, please ensure it is biodegradable and not metallic.
- Please be mindful of other garden users.
- Please ensure that noise is moderated after say 7.30 p.m.to respect residents -- and the sleep of any very young children.
- Please do not play any amplified music.
- There are many distinct areas where relative privacy can usually be found -- specific areas of the gardens cannot be reserved.
- Bouncy Castles/inflatables, dogs, BBQs and catering vehicles are not allowed in the gardens.
- Unfortunately, the Estate cannot supply garden furniture -- other than that already in the gardens.
- Please supervise young children.
- Please do not attach swings to trees as it can damage / break branches.
- Soft balls only to be used in the garden.

Toilet in Marlborough West Garden

The toilet is in the last block at the bottom of the garden. Follow the path next to the building and turn left at the end, along the paved area and steps at the end. The door leading to the toilet is opposite the bottom of the steps.

Toilet in Marlborough East Garden

The toilet is next to the lightwell behind the offices. From the paved area near the top on the drive go down the steps and through the black door on the left. The toilet is the third door on the right.

Your block door key opens all the garden access doors and gates and the toilet doors.
